Prilux es una empresa con más de 35 años de experiencia en el sector de la iluminación. Focalizada en I+D+i, ayudamos a las empresas, instituciones y propiedad final a iluminar sus espacios a través de productos y soluciones tecnológicas fiables, innovadoras, personalizadas, escalables y de alto valor añadido.

Nuestro objetivo es ofrecer al sector soluciones de iluminación inteligente en todas las áreas mediante el uso de sistemas de control y regulación. Por esta razón desarrollamos tecnología propia que permite una gestión óptima del consumo, mejorar el confort y generar un importante ahorro económico de forma sostenible.

Personalización, flexibilidad, eficiencia y sostenibilidad son los valores que nos mueven a diseñar y fabricar luminarias y tecnología para nuestros clientes.

Somos una ingeniería de valor en proyectos de alumbrado público, industrial, deportivo, arquitectural y festivo/navideño.

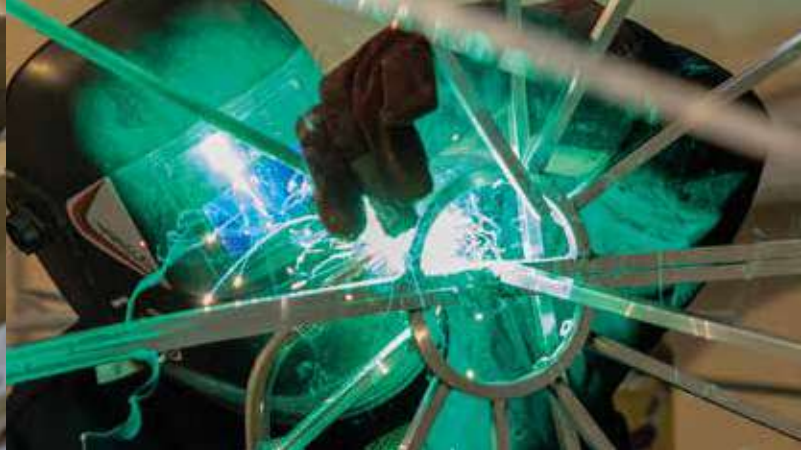

E

Prilux is a company with over 35 years' experience in the lighting sector. Focusing on R&D&i, we help companies, institutions and final owners light their spaces using reliable, innovative, customised, scalable technological products and solutions with high added value.

Our aim is to provide the sector with smart lighting solutions in all areas, making use of control and regulating systems. We develop our own technology for this reason, to enable optimal management of consumption, improve comfort and generate significant economic savings sustainably.

Customisation, flexibility, efficiency, and sustainability are values that drive us in designing and manufacturing luminaires and technology for our customers.

We are a value engineering company in public, industrial, sporting, architectural and festive/Christmas lighting projects.
